# Member Spotlight

## John Riddle

- My name is **John Riddle**.
- I was born and raised in **New Port Richey**, Florida.
- Most of my family still lives in the area.
- My wife is **Cathy**. We have a daughter, **Jessica**, and a granddaughter, **Jamie**.
- I worked as a **construction mechanic**. I owned my own business.
- My favorite things are **baseball**, **racing**, and **cooking**.
- **Barbeque ribs** are one of my specialties.
- I joined Voices of Hope for Aphasia in **2017**.
- I attend Aphasia CAN and Conversation groups in Dunedin every Thursday.
- John's wife, Cathy, says that John gets less frustrated when speaking since he joined Voices of Hope for Aphasia.
- She said he enjoys the social contact, and his confidence has increased.

# Hope Spotlight

The “**Hope Spotlight**” will feature people in our community who have raised money for Voices of Hope in innovative and fun ways. Some have started personal fundraisers on Facebook, donated proceeds from sales on eBay, or generated donations while hosting an event on Evite. This month, we highlight **Jackie Hinckley**, Executive Director.

**1. Where are you from?**

- Born in Maryland, but I grew up in San Diego, CA.

**2. Do you have any children?**

- I have one stepson, one stepdaughter, and 3 grandchildren.

**3. What are your hobbies?**

- I like to sing, play music, and travel.

**4. What is your favorite food?**

- Difficult to say. I am lucky because I like everything and I can eat everything.

**5. How did you first become interested in working with people with aphasia?**

- I went to France but I couldn't talk to the family I was visiting. Then I went to college and discovered speech pathology would combine my interests in language and the brain. At the University of Michigan, I lived with clients of the aphasia program. I knew that working in the world of aphasia was for me!

**6. When did you first hear about Voices of Hope for Aphasia?**

- The Caputos called me because I'm a little "famous" in the aphasia world!

**7. Why did you move from Michigan to Florida?**

- I decided to take a faculty job at USF, where we could go sailing!

**8. How do you get people to donate to a cause they don't know about?**

- Most people don't know the word "aphasia", but everybody has moments of not being able to think of a word or has difficulty getting their ideas across. If you can get people to think about that, I think you can get them to support people with aphasia.

**THANK YOU, JACKIE** for your commitment to our organization!

Pre-registration is required for all programs.  
Call us at 727-249-1953 or email info@vohaphasia.org. Thank you for your cooperation!
