

All of our programs run on a **“Contribute What You Can”** model. **We want everyone to participate in our programs**, regardless of ability to contribute financially.

The requested contribution amount differs for online or in-person sessions. We ask you to consider a:

- \$15 per session contribution for online activities, or
- \$25 per session contribution for in-person activities.

Your contribution will help to cover the cost of the sessions. **However**, we do not require a fee; if you cannot make the requested amount, we are grateful for a contribution of any size.

### **ONLINE SESSIONS:**

Our weekly calendar and registration for our Zoom sessions is emailed and available on our website each Friday for the following week. Registration is handled online. On that website, you have the option to add your contribution for the sessions you have selected. You may also make a contribution by mailing a check to the address below. If you cannot make the requested amount, we are grateful for a contribution of any size.

### **IN PERSON GROUPS:**

You will be asked to register in advance for each in-person group that you would like to attend each month. The monthly registration form will be mailed or emailed. If you cannot make the requested amount, we are grateful for a contribution of any size.

*If you can contribute more, you help us provide services to as many people as possible. The programs of Voices of Hope for Aphasia are generously supported by personal donations and grants. **Thank you!***

Checks can be made payable to Voices of Hope for Aphasia and mailed to the address below. We are a 501(c)3 nonprofit organization registered in the state of Florida.

***\*\*Dunedin attendees please note: The Hale Senior Center requires a \$3 access fee per person per visit. This is payable directly to the Hale Center at the check-in desk. If this fee presents a hardship, please inform the Program Coordinator for assistance.***
