

We want everyone to participate in our programs, regardless of ability to contribute financially.

You will be asked to register in advance for each group that you would like to attend. Together with the monthly registration, you will receive a statement with a requested contribution of \$25 for each 2-hour group to help cover the costs of materials. If you cannot make the requested amount, we are grateful for a contribution of any size.

On the other hand, if you can contribute more, you provide the support needed to empower as many people as possible to participate. The programs of Voices of Hope for Aphasia are generously supported by personal donations and grants.

Your support allows Voices of Hope for Aphasia to offer its programs to more people living with aphasia every year. ***Thank you!***

Checks can be made payable to Voices of Hope for Aphasia, Inc.

We are a 501(c)3 nonprofit organization registered in the state of Florida.
