About the Event

Word Play 2026 is the fourth annual, award-winning fundraising gala benefiting Voices of Hope for Aphasia, Inc., a registered 501(c)(3) nonprofit dedicated to empowering individuals and families living with aphasia.

This year marks an exciting new chapter as Word Play moves to the **heart of downtown St. Petersburg**. In partnership with the University of South Florida's Communication Sciences and Disorders Department, the event will be hosted at **USF St. Petersburg's Student Center**, a stunning waterfront venue overlooking Tampa Bay. The setting reflects the spirit of the evening—open, vibrant, and connected to the community we serve.

Held on **Wednesday, July 1**, the event invites guests to start the holiday weekend with an evening of celebration, creativity, and community—set against the sparkling backdrop of downtown St. Petersburg and Tampa Bay.

Word Play is a lively night of word-game competitions, dinner, and interactive experiences, with a special tribute to the late Merl Reagle, Tampa Bay's nationally celebrated crossword puzzle master. Guests don't just attend—they participate, connect, and learn about aphasia directly from those who live with it every day.

Now in its fourth year, Word Play has raised more than **\$400,000** to support Voices of Hope for Aphasia's programs and services. Highlights from past events include:

- Recipient of a **Creative Loafing Best of the Bay Award**
- Attendance of more than **250 community and business leaders** each year
- Celebrity participation from Tampa Bay Rays players **Pete Fairbanks and Jason Adam**
- Presentation of the "**Merl Reagle Words for Good**" Award to community champions, including the Pinellas Community Foundation and the City of St. Petersburg
- Proceeds supporting **hundreds of individuals** and delivering **over 12,000 hours of life-changing services**

Word Play 2026 brings together philanthropy, creativity, and community in a setting as inspiring as the mission it supports—where words, connection, and generosity come together to change lives.

About Us

Incorporated in 2011, Voices of Hope for Aphasia is a not-for-profit organization that has provided 15 years of life-changing programs in the Tampa Bay region. Voices of Hope for Aphasia was founded by local resident Mike Caputo and his family after he had a stroke 17 years ago. They realized there was a significant gap in services and support for families living with aphasia and turned their struggles into action.

Aphasia is a communication disorder in which a person may have difficulty speaking, understanding, reading, and writing due to stroke or other brain injury. Aphasia impacts language, but NOT intelligence.
